Director's Corner

Shipmates,

Please welcome your shipmates from the USS GERALD R FORD, USS NORMANDY, and USS MCFAUL back home! Almost 400 new residents are joining our neighborhoods – please make them feel welcome and show them the “lay of the land”.

On that note, I encourage you to attend our resident life events. We have 2-3 events happening across the properties each week, and every HomePort Hampton Roads resident is welcome at each event. These events are for all of you, not just those living in the neighborhood in which the event is taking place.

Our monthly bowling event will also serve as the venue for our first Town Hall event this year. Please come out and share any feedback you have with the HomePort leadership team. We are eager to have your feedback, so we may improve your resident experiences at HomePort.

Finally, we are in the last couple of months of winter weather here in Hampton Roads. Although we have been lucky thus far, there is still a chance we see significant snow and ice before the season ends. This is also the time of year we see a decrease in heating service calls. If your heating is not working as expected, please call our service desk, log into the Rent Café site, or stop by one of our two service desks to place a trouble call. We will send a technician out right away!

Stay Safe, The Director

Saint Patrick's Day

Saint Patrick's Day, a March 17 holiday, honors the Patron Saint of Ireland, who brought Christianity to the Emerald Isles, as Ireland is known. It is truly a day of celebrating Irish history, ancestry, traditions, and customs. On this day everything is green, including the beer and whiskey that is consumed in copious amounts. Join the party because everyone is a little Irish o Saint Paddy's Day.

Saint Patrick's Day has many symbols and traditions, from shamrocks and leprechauns to green beer and Corned Beef and Cabbage. *Saint Patrick's Day* parades are popular in many cities around the U.S. Interestingly, the first *St. Patrick's Day* parade did not take place in Ireland. It took place in New York City, in 1762.

Did You Know?

Over 34 million Americans are of Irish descent. That's almost nine times the population of Ireland!
