## Director's Corner

Shipmates,

Summer is here, and it is hot. As a Homeport Hampton Roads (PPV) resident, we want to thank you for your dedicated Service to our Country. As it is your job to serve our Country, it is our pleasure to serve you. We strive for excellence and have created opportunities to enable you to provide direct feedback as we service your needs. On the Second Tuesday of every month (at the Bowling Event), we hold a Resident Advisory Board (RAB). This interactive dialogue allows you to ask questions and receive immediate feedback, making your presence and input invaluable. During the recent RAB, we discussed future upgrades and continuous work going on in the different buildings (I.e., for example):

1. Roof Upgrade – U16 (Recently Completed)
2. Window Replacement – U16 (Scheduled for August)
3. Parking Lot Milling/Re-pavement – U16 (Scheduled for September)
4. Washer/Dryer replacements (Ongoing at Iowa)
5. Additional Speed bumps (Iowa Parking Garage – based on RAB Feedback)
6. Wallpaper Removal Painting (All floors at J53)
7. French Drain – (Cole Village)

As we mentioned earlier, it is hot. Here are a few tips to protect yourself and others:

1. Drink Cool Water – Drink cool water even if you are not thirsty -at least 1 cup every two minutes.
2. Take Rest Breaks – Take enough time to recover from the heat, given the temperature, humidity, and conditions.
3. Find Shade or a Cool Area – Take breaks in a designated shady or cool location.
4. Dress for the Heat – Wear a hat and light-colored, loose-fitting, and breathable clothing if possible.
5. Watch out for each other – Monitor yourself and others for signs of heat illness.

Stay safe this summer, and if you need anything, please call your Homeport Hampton Roads Service Desk at (757) 233-3302.
